OFFICE OF LEGISLATIVE COUNSEL

Thursday - 7 May 1970

1. (Confidential - LLM) Accompanied [redacted] SB
Division, to the second staff interview of [redacted] on life behind
the Iron Curtain. Messrs. Robert Horner and Richard Schultz, House
Internal Security Committee staff, were pleased with the results. In
response to Schultz, [redacted] said he would be agreeable to testify before
the Committee in open session on the same material covered in the
staff interview, except for the more personal matters. I suggested the
possibility of an executive session to be published following review for
possible deletions and it was agreed we would discuss this further.

2. (Secret - JGO) Met with Mr. Frank Slatinshek, House Armed
Services Committee staff, and received from him a listing of the personnel
of the My Lai Subcommittee members and staff who will be traveling to
Vietnam and their itinerary. As Deputy Chief Counsel, Mr. Slatinshek
will be traveling with the group. He told me that from anything he can
see at this time the Subcommittee will not request briefings or any other
support of Agency representatives in the field. Should the need arise,
however, Mr. Slatinshek will contact the Agency's station chief in Saigon

3. (Confidential - JGO) Met with Mr. Edward T. Hugler, Sub-
committee on Manpower and Civil Service staff, House Post Office and
Civil Service Committee, and discussed with him H.R. 16688 concerning
the requirement of reports to Congress with advanced notice of certain
planned organizational or other changes which would affect Federal civilian
employment. Mr. Hugler indicated that although the bill has been referred
to the Subcommittee it has not been included as yet in their file of pending
actions. It would appear at present that little action, other than requesting
reports from Bureau of the Budget and Department of Defense, will take
place during this Congress. He suggested I check back with him in three
to four weeks.
